# Local Notice to Mariners # 8/2016 – issued 25<sup>th</sup> August 2016

### *Middle Ground Buoy- Change of Light Characteristic*

- Following a recent audit by Trinity House it has been requested that the Middle Ground Buoy's light is changed to the standard characteristic for a 'preferred channel' marker – i.e Flash 2 +1.
- With immediate effect, the light on the Mid Ground Buoy is now showing Red Flash 2 + 1 every 10 seconds.
- If more details are required please contact the harbour office on 01841 532239.
